Did you already know?

The history of Regensburg's Bischofshof brewery, which can be traced back to 1649, began in this building, now known as Bischofshof am Dom. At that time, Prince-Bishop Wilhelm Graf von Wartenberg founded the brewery in the immediate vicinity of St. Peter's Cathedral. The brewery has been licensed to serve food and provide accommodation in its current form since 1890.

Today, the Bischofshof am Dom is a sensational restaurant in the heart of Regensburg, visited by around half a million guests from all over the world every year. Many of them come here to enjoy the typical Bavarian culture in this unique location. The historic Bürgersaal of the Bischofshof am Dom is a benchmark, and not just for beer-oriented gastronomy.

Since the 16th century, rulers from all over the world have met regularly in Regensburg. They brought a lot of entourages with them, their own cooks, their own confectioners. As a result, the people of Regensburg were able to look into the cooking pots of many countries. Culinary innovations such as chocolates and coffee were known here earlier than anywhere else.

We try to prepare some of our dishes based on the famous Regensburg cookbook by Marie Schandri from 1867, which is still available today - after more than 100 editions. With 1050 recipes on over 450 pages, it is a reflection of Regensburg and Bavarian cuisine. The recipes collected in the Regensburg cookbook were comprehensive, up-to-date and national.
